

Great furniture for girls and boys

Great furniture for girls and boys

Our children's range has been designed especially for boys and girls to accommodate their clothes, toys and dreams. The range is made of solid wood and each piece is hand built in the UK to a high standard of craftsmanship and quality. The furniture is hand sprayed in our soft white paint to give a durable finish and highlighted in your chosen accent colour, either blue or pink. All pieces are also available in soft white with no accent colour.
